ClubGRANTS is a state wide initiative that recognises the significant financial support for projects and services local Clubs make in contributing to the wellbeing of their communities.

The ClubGRANTS round provides the opportunity for local projects to apply for funding from the Campbelltown Clubs under the scheme. Campbelltown City Council and Sector Connect are responsible for overseeing the administration of ClubGRANTS in Campbelltown.

An information session will be held to explain the funding process and priorities for 2019 and to go through the online application process.

It is strongly suggested that all potential applicants attend the information session
